

## **Justice Reinvestment – Performance Incentive Grant Fund – Proposed Local Awards**

<b>County</b>	<b>Applicant Agency</b>	<b>Project Title</b>	<b>Project Summary</b>	<b>Requested Grant Funds</b>	<b>Average Score</b>
Anne Arundel County	YWCA of Annapolis and Anne Arundel County	Abuse Intervention Program	The YWCA of Annapolis and Anne Arundel County's Abuse Intervention Services program helps reduce existing gaps in services and foster collaboration and cooperation among partner agencies and stakeholders in Anne Arundel County, Maryland. The program is offered to perpetrators of domestic violence and is aimed at lowering crime and recidivism rates in Anne Arundel County, which currently has the third highest incidence rate of domestic violence state-wide. Services will include interactive accountability and skill building based programming with men (both English and Spanish speaking), women and teens. Additionally, counseling services with licensed clinicians will be provided to perpetrators, their victims/current partners and family members at no cost to the individuals. This program will also look to remove barriers surrounding transportation by providing financial assistance to members with hardship. Program funds will provide personnel, travel, and other.	\$204,658	95
Baltimore City	Bon Secours of Maryland Foundation, Inc.	Returning Citizens Program	Bon Secours of Maryland Foundation's Returning Citizens Program helps reduce existing gaps in services and foster collaboration and cooperation among partner agencies and stakeholders in Baltimore City. The purpose of the program is to provide 100 participants (80% male, 20% female) incarcerated in a state or local correctional facility at program enrollment time with services that address their barriers to successful reintegration into the Baltimore City, Maryland community and reduce their recidivism. The five core pre- and post-release elements are: 1) comprehensive participant assessments; 2) best practice TYRO Empowerment Leadership Training; 3) case management, wraparound services including financial education, mentoring; 4) essential Workplace skills training with job placement; and 5) one year follow-up. Program funds will provide personnel, operating expenses, contractual services, equipment and other.	\$249,154	96

Baltimore County	Community Solutions, Ince Baltimore MST-EA	Multi-systemic Therapy - Emerging Adults	Community Solutions, Inc.'s Multisystemic Therapy - Emerging Adults (MST-EA) program helps reduce existing gaps in services and fosters collaboration and cooperation among Baltimore County Local Management Board, Baltimore County Bureau of Behavioral Health, Maryland Department of Juvenile Services, Baltimore County Department of Social Services, Baltimore County Detention Center, Baltimore County Office of the Public Defender, and New Pathways in Baltimore County. The program serves people between the ages of 17 and 26 who are have been involved with the criminal justice system and who also may have behavioral health disorders at the same time. MST-EA is an evidence-based treatment that seeks to reduce the likelihood of recidivism and placement in out of home settings. In addition, MST - EA has been shown to be effective in reducing the symptoms of mental health issues, substance use, and exposure to delinquent peer influence, among others. MST-EA targets independent living skills and goals such as education and careers. Program funds will provide personnel, operating expenses, travel, contractual services, equipment and other.	\$192,286	74
Frederick County	Justice and Recovery Advocates, Inc.	Choose Life Health and Wellness Program for Recovery and Re-entry	The Justice and Recovery Advocates, Inc. Choose Life Health and Wellness for Recovery and Re-entry program helps reduce existing gaps in services and foster collaboration and cooperation among partner agencies and stakeholders in Washington, Frederick, Carroll and Howard/Montgomery counties. The program's main function is to provide health and wellness programming and treatment in the areas of integrative health/nutrition, mindfulness, meditation, self-management and yoga specifically targeting systems-involved individuals who suffer from mental health and substance use disorders who are involved in or residing in drug courts, detention centers and treatment centers. This program's outcome of promoting both physical and mental health and reduction of recidivism benefits not only the systems-involved participants but also the families and children of the participants, but the health and safety of the communities as a whole. Program funds will provide contractual services and other.	\$200,950	81.3

Howard	Howard County	Sustainable Reentry Demonstration Project	The Howard County Department of Corrections' Sustainable Reentry Demonstration Project reduces gaps in both in-jail and in-community reentry programs and fosters collaboration among partner agencies and stakeholders in Howard County. The grant does this by increasing education services, addressing mental health concerns with therapy, conducting a validation study on the risk assessment tool being used, and presenting an innovative demonstration program of reentry services through partnership with Open Door America a non-profit organization. Program funds will provide contractual services.	\$194,790	98
Prince George's County	Vehicles for Change, Inc.	Reentry Training - Auto Mechanics	The Vehicles for Change, Reentry Training - Auto Mechanic Program helps reduce existing gaps in services and foster collaboration and cooperation among partner agencies and stakeholders in Baltimore County. The program is a proven, unique, employer driven, social enterprise, paid internship program. VFC has operated a highly successful program in Baltimore. This project will be a programmatic expansion into Prince George's County and serve individuals returning from incarceration in Prince George's and the surrounding area. This is a 3-5 month, paid internship where interns will obtain ASE certification and hands on training working on cars that will be awarded to low income families in the region. Program funds will provide personnel and equipment.	\$244,000	92
Wicomico	Habitat for Humanity of Wicomico County	Wicomico Habitat HabiCorps Workforce Development Program for Successful Reentry	The Habitat for Humanity of Wicomico County's (HFHWC) HabiCorps Workforce Development pilot program helps reduce existing gaps in services and foster collaboration and cooperation among partner agencies and stakeholders in Wicomico County. The program will help reentry citizens to successfully reintegrate into society by gaining employment, affordable housing, and addiction management support services. The program will collaborate with public, private, and non-profit agencies in Wicomico County to assist men and women with a criminal background in learning job readiness, job skills, and interpersonal communication tools that can be applied to support the participant's future as well as expand HFHWC's affordable housing program. Program funds will provide personnel, operating expenses, travel, contractual services, and equipment.	\$248,490	79.6

Worcester	Worcester County Board of County Commissioners	Data Driven Approaches to Enhance LEAD	The Office of the State's Attorney for Worcester County's Data Driven Approaches to Enhance LEAD program helps reduce existing gaps in services and foster collaboration and cooperation among partner agencies and stakeholders in Worcester County, Maryland. The Office of the State's Attorney for Worcester County prosecutes every criminal offense committed within Worcester County and serves approximately 52,000 full-time residents as well as hundreds of thousands of tourists every year. Requested grant funding will be used to purchase a comprehensive case management software package that will support planning, agency collaboration, crime mapping, data compilation and statistical analysis to allow prosecutors to leverage existing resources to better evaluate individual cases for more effective prosecution. Program funds will provide equipment.	\$227,700	74.3
